Donna Browning

MANAGING DIRECTOR

Donna Browning is a Managing Director in the Miami office of RLM | TrialGraphix. Utilizing her extensive background in design and visual communication, Donna assists trial teams in identifying effective case themes, simplifying information and developing persuasive visual presentations for use in courtrooms and other legal settings.

Since 2005, Donna has consulted on several thousand matters in almost every major area of litigation including commercial, intellectual property, insurance, employment, securities, construction, medical malpractice, and personal injury.

Prior to joining RLM | TrialGraphix, Donna worked as a graphic artist and art director in the publishing and advertising fields. Donna received her B.S. degree from Florida State University with a special focus in visual arts.
