Armando Aquino

Technology Consultant

Armando Aquino is a Technology Consultant for TrialGraphix and is based in Los Angeles. He provides valuable support in all aspects of consulting services and has assisted trial teams across the nation, preparing and executing effective legal presentations for bench and jury trials as well as arbitration panels. His ability to adapt to and anticipate individual trial teams needs allows clients to maintain their focus on the case at hand.

Armando has worked with many AmLaw 100 firms and is a member of RLM's international arbitration practice and has extensive experience supporting these matters.

Notable cases include: *[TRIZIVIR] ViiV HealthCare UK Ltd, et al. v. Lupin Ltd., et al.*; *Koninklijke Philips Electronics N.V. v. Coby Electronics Corporation*; *Alfred E. Mann Foundation for Scientific Research v. Cochlear Corporation, et al.*; and *Orbital Sciences Corporation v. Iridium Satellite LLC, et al.*

Prior to joining RLM, Armando worked as technology specialist for over five years, supporting software and hardware systems as he traveled across the country testing and updating computer systems, providing technical support, and training contractors.

Armando holds a Bachelor of Fine Arts in Visual Communications from the International Academy of Design and Technology. He is fluent in Spanish.
