Candi Hauff

Technology Consultant

Candi Hauff is a Technology Consultant for TrialGraphix based in Los Angeles. She has more than 11 years of experience providing trial technology expertise to clients involved in high-stakes litigation and has spent thousands of hours in courtrooms nationwide in all legal practice areas.

Candi specializes in effortlessly displaying documents, graphics, animations, photos, video clip, and other exhibits to greatly enhance the ability of the Judge and jury to visualize your story and argument. She has worked on well over 100 jury and bench trials, mediations, hearings, mock trials and arbitrations, and has “hot-seated” in over 40.

Candi has worked closely with hundreds of attorneys and support staff from top litigation law firms like McDermott, Will & Emery LLP; Kecker & Van Nest LLP; Ball Janik LLP; Wilson Sonsini Goodrich & Rosati; and Farella Braun + Martel LLP.

Notable cases include: *Johnson & Johnson v CIBA Vision*; *Best Buy v. Toshiba*; *Man AG v.*; and *Pande v. Chevron Corporation*.

Prior to joining TrialGraphix, Candi was the President of Trial Support Technology and before that, the Director of Litigation Support Technology for Advanced Courtroom Technology, Inc.

Candi holds a B.S. from the University of Texas, San Antonio.
