Yuval Newman

Media Artist

Yuval Newman is a Media Artist with TrialGraphix based in New York City. With over seven years' experience working directly with attorneys from numerous AmLaw 100 firms, Yuval specializes in the development of clear visual solutions to explain complex concepts at trials and arbitrations.

He has worked on a wide variety of high profile matters including intellectual property and trade secret, breach of contract, toxic tort, medical malpractice, securities, and product liability litigation. Yuval excels at creating effective litigation graphics that resonate and clarify legal arguments and evidence in the minds of jurors, judges, and arbitrators.

Yuval received a B.A. in Communications Design from Pratt Institute in New York City.
