
Benjamin Cardona

Media Artist

b.cardona@trialgraphix.com

Benjamin Cardona is a Media Artist for TrialGraphix based in New York City specializing in the development of visual solutions to explain complex concepts at trials and arbitrations.

Ben is a multi-disciplinary presentation designer with experience in Media, Finance, Pharma and IT. He has worked on a wide variety of matters including intellectual property and trade secret, breach of contract, toxic tort, medical malpractice, securities, and product liability litigation.

Prior to working at TrialGraphix, he worked both in the litigation graphics field as well as a multimedia and visual designer for companies such as Goldman Sach's, Repucom, and Nielsen Sports.

Ben received a B.A. in Business and Corporate Communications Syracuse University.
