Karl Reed

Technology Consultant

Karl Reed is based in Fort Lauderdale. With over eighteen years of consulting experience, he has worked on more than 400 matters nationwide, including numerous high-profile and mass exposure cases. Karl has worked with many leading law firms on all sorts of matters ranging from: pharmaceutical, wrongful death, bankruptcy, insurance, intellectual property, professional malpractice matters and defective product/product liability.

Experienced and trained in the most up-to-date litigation technologies, Karl choreographs seamless presentations in any legal setting. He is skilled at managing large on-site support teams, and counseling multiple clients simultaneously. In his previous role at TrialGraphix, he oversaw network administration and desktop support.

Karl holds a B.S. in Computer Management of Information Systems from Slippery Rock University.
